

## **That glorious 13th**

Freedom? Such a blessed thought.

Jim Crow saw to it that

these are now free:

Breonna, Aura, Atatiana and Botham.

Stephon, Philando, Janisha and Eric.

Alton, Michelle, Akai and Freddie.

Eric, Tamir, Gabriella, Michael and Tanisha.

They might all still get

their forty acres and a mule,

but not in this world.

Ah, freedom, such a blessed thought.
